

Let's Go Global!

Macomb Global Trade Mission 2014

Who: Macomb County Students and Teachers

What: Macomb County Global Trade Mission students will work in cross-district teams to respond to an authentic business challenge that reflects the processes of companies engaged in global trade.

When: November 18 and 19 - 8:00am- 2:00pm
November 20 - 6:30pm - 8:30pm (Presentations)

Where: Macomb ISD - Educational Service Center

Students will:

Develop useful oral communication and interpersonal skills aligned with the Michigan State Standards for English and Language Arts.

Gain access to the tools and information of today's business environment through direct interaction with local business professionals.

Develop skills to effectively collaborate in a diverse team of individuals.

Determine the impact cultural diversity has on global business transactions.

Obtain an understanding of their role as a member of the future workforce in this ever changing global economy.
